Common

Title:	The best cat in the world
Age:	3 Week(s)
Gender:	Female
Price:	1,567.00 €
Posted:	1 year ago

Additional information

Description:

Since Ethiopia was formerly called Abyssinia, you might assume the Aby’s name reflects African origins. Not at all! The name only indicates that the first Abys who were exhibited at shows in England happened to be imports from Ethiopia. Despite its resemblance to cats in ancient Egyptian art, genetic research has established that the breed originated in the coastal areas of the Indian Ocean and in Southeast Asia, and was likely brought back to England by returning soldiers.
